Dear Mr. Anderson:

We are in receipt of your letter of March 18, 1985 in which you list our Model XP-100 .221 Fintall caliber handgun, Serial number 7907148, as being in your possession.

The XP-100 is definitely subject to recall. If it has previously been returned to our plant for the recall modification, a small "O" has been stamped on the upper left side of the receiver tang near the bottom of the rear receiver ring.

If your XP-100 does not contain the "O" mark, it should be shipped or mailed, transportation collect, to:

Remington Arms Company, Inc.

Attn: Arms Service Division

Ilion, New York 13357

and, the necessary work will be done on a no-charge basis.

Thank you for your letter and for being afforded the opportunity to be of service to you.

Sincerely,

J. P. Stahl
