Dear Mr. Carey,

The three Model 700 series rifles listed in your May 5, 1988 letter are not under recall.

However, if you've experienced what you feel to be an accidental firing upon safety release, please package the Model 700 Classic, serial #A6572220, and send it, via United Parcel Service, transportation C.O.D., to:

Remington Arms Co., Inc.  
Product Service Dept.  
Rush ATTN: Mr. Dick St. John  
14 Hoefler Ave.  
Ilion, NY 13357

In order to expedite factory service, please affix the two enclosed stickers to both butt ends of the outside of the package.

Upon receipt of your rifle, our experts will examine your trigger assembly and attempt to duplicate your experience before issuing you a report of their findings.

Thanks for calling this matter to our attention, Mr. Carey, and we are waiting to be of service to you.

Sincerely,

R.H. Potter
