J.A. STEKL

Dear Mr Stekl

In november, I sent you my Remington 7 M.M. MAG., Model 700 L.H., Serial #A6451464. In December, I got notification that you received the gun and opened it on 12-1-83. It has been six months now and I havent heard anything else from you. Hunting will be upon me soon and I am anxious to get this matter resolved and re-site my rifle in.
