CONDITION: NEW SLIGHTLY WORN VERY WORN MISUSED MARRED

OWNER'S REQUEST
"Customer claims rifle fired w/ safety on..."

AULT *Cannot duplicate complaint - no fault found. Trigger and safety assembly operate properly. Due to design, this model rifle cannot fire with the safety engaged.*

Note - rifle not subject to recall.*

Rifle can be returned as-is as we can install a new trigger assembly at 1/2 normal cost, as a gesture of good will, if that is desired.
