Dear Mr. Lewis:

This is in reply to your recent letter regarding trigger replacement for your Model XP-100, serial # 10713.

It will be necessary that you return your XP-100 to the factory here at Ilion, NY in order to have a new trigger installed at no charge, as this is restricted to factory fitting only.

We trust this information will be helpful to you, Mr. Lewis. Thanks for calling the matter to our attention.

Sincerely,

R. H. Potter
