MAIN FAULT

*Date of Mfg. 12/79. Trigger safety in all positions pulled to  
could not duplicate customer concern. Trigger has been a  
outside of the factory and seen engagement changed. E.  
trigger any at a good price as a gesture of goodwill  
and to restore his confidence in the rifle.  
we do not recommend that the trigger engagement  
be changed from the factory setting.*

PARTS

COMMENTS

*Trigger pull 1 3/4 lbs as Rec'd*
