GERALD HANSEN V.
REMINGTON

Attached is a copy of a letter from our attorney, indicating that the plaintiff's counsel is requesting the Hansen rifle's return. I wrote to our counsel about four days before receipt of his letter (may have crossed in the mail), stating that our examination would be completed in January, 1980.

In order to avoid a possible "controversy", please see to it that Hansen's Model 700 is examined during the next available examination meeting, so that we can promptly return the gun as has been requested.
