Dear Mr. Jenkins:

Your letter of July 7, 1989, regarding the problem you experienced with your Model 700 rifle, "...my gun misfired," has been forwarded to this office for handling.

We apologize for the delay in responding to your letter, but vacations and current work load have us temporarily backed-up.

Remington would be interested in examining your rifle to try to determine a cause for the "misfire" you experienced. We would appreciate it if you would send the gun with a written description of exactly how the "misfire" occurred and a history of the use of the rifle both before and after the incident, via U.P.S. transportation C.O.D. to:

Remington Arms Co., Inc.
Attn: J.A. Stekl, Specialist
Product Service
14 Hoefler Ave.
Ilion, NY 13357

Please boldly mark the two (2) butt ends of the outside of the package "STEKL" to expedite handling.

We will notify you of our findings immediately upon completion of our examination.
