

Since we found the firearm to function properly in every respect, we are prepared to return it in its present condition. However, we will offer to clean the action and replace the trigger assembly with a new one at no-charge, as a good-will gesture, if it will restore your confidence in the rifle. We will await your decision and reply.

Thank you for affording us the opportunity to examine your rifle and report our findings.

As requested, when return shipment is made, it will be direct to Caldwell Industries Company, Ltd., marked to your attention.

Sincerely,
