We do want to be as helpful to you as possible and, as a gesture of good-will, even though there is nothing wrong with the present trigger assembly, we can replace it with a new one that will allow opening and closing the bolt while the safety is in the "on safe" position, at no-charge, to insure that your faith in the rifle is restored, or, the rifle can be returned to you in the same condition as received. We will await your decision and reply.

Thank you for allowing us the opportunity to examine your rifle and to be of service to you.

Sincerely,

J.A. Stekl, Supervisor  
Product Service
