Dear Mr. Stekl;

I am very sorry of your findings of my rifle, Serial # A64916R. I tried myself, but to no avail to duplicate the malfunction. I know you would not be able to do it either. You can put the blame on me, that's your prerogative, but I know that is not the case. Despite your findings and conclusions there is something wrong with that rifle.

I have been in Wyoming & Montana with this rifle on Elk hunts. I plan another trip this year for Goat & Elk. The rifle has malfunctioned 4 times but never out West. I
