Dear Sir:

According to your letter of January 24, 1989, you offered as a gesture of good will and to restore your confidence in the Rifle we will install at no charge, A new trigger assembly.

I would appreciate very much your installing the new trigger assembly.

I have shot less than four boxes of ammunition with this rifle so as far as I am concerned I feel it is practically a new gun, even if it is eight years old.

I thank you for your good service and immediate attention.

Sincerely,
