J.A. STEKL

Attn: J.A. Stekl, Specialist, Product Service.

I am in receipt of your letter dated November 07, 1989 in regards to my Model 700 BDL 30-08 caliber rifle, Serial Number A6426006.

I would feel much safer and competent if you would replace the trigger assembly at no charge per your letter.

Sincerely,
Bob Smith
