Dear Sir:

Enclosed is one Remington Mod. 700, 243 cal., barreled action, serial no. 6539015, as recommended by your department.

Almost everytime the bolt is let down it fires and also when the safety is released it fires. Upon your inspection, please let me know the extent of the needed repairs and the cost. Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Victor E. Spear".
