

February 3, 1994
Remington Arms Co.

For many reasons I feel that Remington Arms Co. should replace this rifle. I also feel that it is reasonable to expect this replacement to be a firearm of my choice which would be the 270 previously mentioned. I also want a coupon, check or other form of barter to replace the two (2) boxes of ammunition I am returning. The prime months for coyote hunting in Tennessee are February and March and since this incident will prevent me from using the only varmint rifle I have I ask that you resolve this immediately.

The shipment of this firearm and ammunition to you is in no way intended to waive any rights or claims I have against Remington Arms Co. and/or Wal-Mart. If this matter is not resolved by February 28, 1994, I will assume you do not wish to conclude this incident in an amicable fashion.

Thank you.

Best regards,

Myles Thomas
