___ ANGRY

X CALM

___ PLEASED

CUSTOMER CONCERN:

Alleged accidental firing via
 * follow down - ^{both closing} 2 times. One in house through
 roof (unloading in house because too dark out-
 side. And on 3/12/93, shot a coyote ejected
 shell & then, allegedly, gun followed down closing

RESOLUTION:

firing bullet through his airport hangar
 & through ^{very} expensive high speed film processor
 stored inside hangar. Cost estimator for roof +
 hangar repair - \$650.00. Replacement cost

COMMENTS:

for film processor - \$19,700.00
 won't repair due to all stainless steel. Company is
 Allen Products, Medford CT 203-874-2563
 At Ron Baylor. Machine is Model FR100 #1441
 Gun & ammo samples coming to P.E. for exam +
 * can't fire or follow down
