Dear Charles:

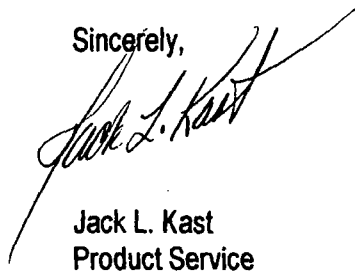

As usual, it was a pleasure talking to you yesterday.

It seems to me that besides the trauma of the incident itself, you folks are the ones who are putting the effort into assisting us towards the resolution of your concern. Because of that, I wish to remain available to assist you and Michael, should either of you ever have a concern involving any of our products.

As we discussed, Michael necessarily needs to co-sign the release using same witness and notary.

Thanks again.

Sincerely,
