

FILE RECORD RETENTION FORM SUPPLEMENTNAME: Charles FargurueDATE: 12/19 TIME: 3:00

Explained that the alterations that were done to the trigger may have set up a condition where he had a 'hair trigger' i.e. .007 engagement with powder pull screw backed out. He sounded relieved to hear that.

He brought gun used and was told that it was not altered.

DATE: _____ TIME: _____

I told him I would hold his gun and when he was comfortable to call me and I would assist in any way I could regarding his gun and that a release form would be necessary.

DATE: 2/17 TIME: 11:00

Charles called and asked to have gun repaired and returned - explained need for release form prior to repair - send release form -

Sen still needs another operation on foot for bone fusion - scheduled for spring break

DATE: 4/21/95 TIME: 1:05 Recd. release form

Will go ahead with repair and retain ammo and trig. Assy., just in case!
