

Remington Arms
14 Hoefler
Ilion, NY 13357
Attn: Kevin Cornell

Enclosed is a Remington 7mm Serial #C6750025.

The problem with the rifle is that we have a hard time getting it to receive a round. The bolt is hard to bring to the locked position. We have had an occasion that when we closed the bolt, it automatically fired.

We also have found small pieces of brass as if something is obstructing the round.
