Remington Arms Co., Inc.  
Arms Service Division  
Ilion, New York 13357

Dear Sir:

Enclosed is the gun Model 700 Remington. The problem occurred when I was unloading, pushed safe on fire, and it went off. The next time it went off was when I was unloading, pushed safe on fire, started to lift the bolt and it went off.

Thank you for your prompt work in solving the problem with this gun.

Sincerely,  
*Lawrence Morgan*
