Thanks, Ron. Yes, deliver it to Fred when you get it done...I will get the shipping instructions out to Fred once I get the FFL from Mr. Poling's lawyer.

Subject: Model 700 AWR --- 300 Rem Ultra Mag --- Claim of Al Poling

Ron,

I have settled a potential lawsuit by Mr. Poling who wants a Model 700 AWR in 300 Rem Ultra Mag. How long will it take to have this type of rifle ready? By the way, for your accounting purposes on this, contact Fred Supry and he can give you the Remington file or account number on this settlement.

Thanks,

Dale
