

We have received your letter outlining your safety concern with your Model 700 rifle.

We suggest that the gun not be used until Remington has had an opportunity to examine it.

We would like to perform this examination at your earliest convenience.

Upon completion of our exam, we will report our findings to you.

Please contact me by calling, collect, at (315) 895-3558 to make arrangements for returning your firearm for the above mentioned examination.

Sincerely,
