**Re: Jack Swonger; Model 700. Please see the attached letter we received yesterday. I have attempted to reach Mr. Swonger today to ask him to ship the gun to you for inspection, but there was no answer. I left a message on his machine to call me. Mr. Haskin has told him we will resolve the problem. I am not sure what action should be taken or what Mr. Haskin may have told him we would take care of, so once the problem with the gun is determined I suggest you discuss the matter with him or Andy. I am also sending you a copy of this in the mail because there are two sheets that contain information concerning the damage to his house that I know would not fax well. I'll call you once I hear from Mr. Swonger. Dolores Ackerman**
