3/8/10 John Mannon called. He stated that his rifle fired when taken off Safe and the bullet damaged his father's garage & the 4-wheeler inside the garage. No estimate on the cost of the damage yet. He did speak to an attorney about the incident & the attorney told him that he could have a lawsuit. To my knowledge - no pictures or video were taken by the attorney. Customer did not state that he retained the attorney. Mr. Mannon took the rifle back to Dick's Sporting Goods in Barboursville, WV on 3/5/10 and returned it. The store gave him another new gun in exchange. I contacted the store & spoke to Al Rigsby - they still have the gun & I will have it come to Product Service in Ilion for exam. dmf

Dear Al or Rhonda,

Enclosed is a prepaid UPS shipping label to cover shipment of the rifle to our factory for examination. **Please include a copy of this letter to put inside the shipping container. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the boxes with the name "Supry".** Fred Supry will be inspecting the firearm and will contact me with the results.

Sincerely,

*Dell Marie Fulcher*
