Dear Mr. Testerman,

Enclosed is a prepaid UPS shipping label to cover shipment of your firearm to our factory for examination.

Please include a copy of this letter to put inside the shipping container. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the box with "Product Service". Product Service will be inspecting the firearm and will contact me with the results.

I hope that this action will keep you a loyal Remington customer.

Sincerely,
D. Fulcher

To Whom It May Concern:

I William M. Testerman Sr. Owner of Remington Model - 700, 30-06. Serial No. A6419872, am returning it to you. My gun is a prized possession, I take very good care of it, it was a gift from my late brother. I have used it for many years, every hunting season. This year deer season opened November 13, 2010, I hunted every day until this incident occurred. When I finished hunting on this day, I went to my truck to unload. I pushed the safety forward to unload. The gun fired. It hurt my hand, bruised my arm. I finished unloading, and put the gun in the truck. If anyone had been close it would have been a tragedy.

I was talking to a friend the following day, and he told me about the problem with 700 Remington. He had seen it on television. This is who I am bringing my problem to you. I want to know, can you fix this gun so I can be confident in using it again.

I thank God that I was alone this day.

I have never had any problems with the gun before this.

Thank You for your support,

A handwritten signature in cursive script that reads "William M. Testerman Sr.".
