5/19/11 Per call from Moody, on a couple of occasions his 700 has fired when the safety was released. He mentioned it had a hair trigger. He bought it new in 1986 at WalMart. A dealer he asked about this incident said Remington would cover it at no charge. I told him I would pay shipping into the factory but it may not be at no charge. We'll inspect and if a charge, we will put on hold and contact him for approval.cm
