Enclosed is a prepaid UPS shipping label to cover shipment of your firearm to our factory for examination and service request. A box will arrive separately.

Please include a copy of this **letter and service request** to put inside the shipping container. The letter and service request inside are important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the box with "Product Service". Product Service will be inspecting the firearm and will contact me with the results. I will contact you once I get the report.

I hope this action will keep you a loyal Remington customer.

Sincerely,
