Daniel Lind 8308 Queen Ave N. Brooklyn Park MN, 55444

Dear Sirs,

I spoke with Ray Ikemann on 2/26/97 about a 243 Rem. 700 vls with a Big problem.

He told me to send it in and he would expedite this back to me.

The problem with the gun is when moving the safety switch from safe to fire, the gun goes off.

A dealer inspected the gun a said that the trigger and safety mechanisms are out of alignment.

On 2/27/97 the problem corrected itself but I was still told to send it in. The S/N E6214239.

I would like to have this back as soon as possible, within 2 weeks preferable. I hope this does not happen again to me or any other person.!

Thanks Dan Lind 612-561-5132
