STANDARD CONDITIONS OF SALE

PRECEDENCE

Remington's Standard Conditions of Sale set forth herein shall be included and made part of any agreements, contracts, or purchase orders for products marketed by Remington ("Products") accepted by Remington, and will supersede and take precedence over any conflicting terms and conditions, stated or implied, that are or may be requested in any contract, purchase order or other documents.

ACCEPTANCE OF ORDERS

All orders, whether solicited or unsolicited, are subject to acceptance, in whole or in part, upon receipt by Remington in Wilmington, Delaware. Remington reserves the right to reject any order, in whole or in part, without incurring any liability for any such rejection. Should any part of an order be rejected, Remington will ship the remainder under prevailing terms and conditions of sale, and Purchaser will accept the delivery and pay for all Products that are included in the portion of the order accepted by Remington.

After acceptance, Remington will attempt to ship all orders as requested; however, should situations arise that result in delays or nondelivery, Remington will be under no liability for any delays or failure to ship or complete any orders or parts thereof, when such failure is due to circumstances, causes, and/or contingencies beyond Remington's control, including, but not limited to Acts of God, fire, explosion, flood, war, act of or authorized by any government, accident, equipment failure, labor trouble or shortage, inability to obtain material, equipment or transportation. Quantities so affected may be eliminated from any order without liability. The remainder of any order shall otherwise remain unaffected. Remington shall have no obligation to purchase supplies of the Product to enable it to perform shipment of any order.

Remington reserves the right to discontinue product lines and to make changes to products offered at any time and will be under no liability for any such discontinuance.

APPORTIONMENT

If for any reason Remington is unable to supply the total demand for any Products, Remington may distribute its available supply among any and all of its customers, as well as departments and divisions of Remington, on such basis as it may deem fair and practical, without liability for any failure of performance which may result therefrom.

GOVERNMENT ACTION

If any government action should place or continue limitations on the price such that it would be illegal or against public or government policy for Remington to change, access or receive the full amount of or to increase such prices as determined by the current price lists and these Standard Conditions of Sale, then Remington shall have the option

- (1) to continue to perform subject to such adjustments in prices that Remington may deem as necessary to comply with such government action,
- (2) to revise the price lists and Standard Conditions of Sale, subject to Purchaser's approval, in order to most nearly accomplish the original intent of the sales agreement,
- (3) to terminate performance of the affected portions of the sales agreement without any liability for any damage.

PRICES

Manufacturer's Selling Prices for Products are as listed in current Price Lists and supersede all prices that were previously in effect or have been previously quoted.

All orders on file and all orders accepted by Remington shall be subject to prices in effect on date of shipment.

U.S. Federal Excise Tax is included where applicable. Prices are subject to change at any time without notice.

All resale prices set forth in Remington Price Lists are suggested prices only.

Purchaser shall reimburse Remington for all taxes, excise or other charges which Remington may be required to pay to any government (national, state, or local) upon the sale, production or transportation of the Product sold to the Purchaser.

BACKORDERS

Remington will attempt to ship all product items available on accepted orders on requested shipping dates and will create a backorder for any unshipped balance unless specifically indicated on the original purchase order that backorders are unacceptable. Remington will continue to ship against the open balance of the remaining backorder unless a written cancellation request is received 15 days prior to shipment.

All backorders with the exception of Custom Guns and specially contracted purchases will be cancelled on December 30, 1994.
