STANDARD CONDITIONS OF SALE

PRECEDENCE

Remington's Standard Conditions of Sale set forth herein shall be included and made part of any agreements, contracts, or purchase orders for products marketed by Remington ("Products") accepted by Remington, and will supersede and take precedence over any conflicting terms and conditions, stated or implied, that are or may be requested in any contract, purchase order or other documents.

ACCEPTANCE OF ORDERS

All orders, whether solicited or unsolicited, are subject to acceptance, in whole or in part, upon receipt by Remington in Wilmington, Delaware. Remington reserves the right to reject any order, in whole or in part, without incurring any liability for any such rejection. Should any part of an order be rejected, Remington will ship the remainder under prevailing terms and conditions of sale, and Purchaser will accept the delivery and pay for all Products that are included in the portion of the order accepted by Remington.

After acceptance, Remington will attempt to ship all orders as requested; however, should situations arise that result in delays or nondelivery, Remington will be under no liability for any delays or failure to ship or complete any orders or parts thereof, when such failure is due to circumstances, causes, and/or contingencies beyond Remington's control, including, but not limited to Acts of God, fire, explosion, flood, war, act of or authorized by any government, accident, equipment failure, labor trouble or shortage, inability to obtain material, equipment or transportation. Quantities so affected may be eliminated from any order without liability. The remainder of any order shall otherwise remain unaffected. Remington shall have no obligation to purchase supplies of the Product to enable it to perform shipment of any order.

Remington reserves the right to discontinue product lines and to make changes to products offered at any time and will be under no liability for any such discontinuance or change.

APPORTIONMENT

If for any reason Remington is unable to supply the total demand for any Products, Remington may distribute its available supply among any and all of its customers, as well as departments and divisions of Remington, on such basis as it may deem fair and practical, without liability for any failure of performance which may result therefrom.

GOVERNMENT ACTION

If any government action should place or continue limitations on the price of any product such that it would be illegal or against public or government policy for Remington to change, access or receive the full amount of or to increase such prices as determined by the current price lists and these Standard Conditions of Sale, then Remington shall have the option

- (1) to continue to perform subject to such adjustments in prices that Remington may deem as necessary to comply with such government action,
- (2) to revise the price lists and Standard Conditions of Sale, subject to Purchaser's approval, in order to most nearly accomplish the original intent of the sales agreement,
- (3) to terminate performance of the affected portions of the sales agreement without any liability for any damage.

PRICES

Manufacturer's Selling Prices for Products are as listed in current Price Lists and supersede all prices that were previously in effect or have been previously quoted.

All orders on file and all orders accepted by Remington shall be subject to prices in effect on date of shipment.

U.S. Federal Excise Tax is included where applicable. Prices are subject to change at any time without notice.

All resale prices set forth in Remington Price Lists are suggested prices only.

Purchaser shall reimburse Remington for all taxes, excise or other charges which Remington may be required to pay to any government (national, state, or local) upon the sale, production or transportation of the Product sold to the Purchaser.

BACKORDERS

Remington will attempt to ship all product items available on accepted orders on requested shipping dates and will create a backorder for any unshipped balance unless specifically indicated on the original purchase order that backorders are unacceptable. Remington will continue to ship against the open balance of the remaining backorder unless a written cancellation request is received 15 days prior to shipment.

All backorders with the exception of Custom Guns and specially contracted purchases will be cancelled on December 31, 1996.

CANCELLATIONS

Cancellation of orders or backorders must be made in writing by letter or fax to:

Remington Arms Co., Inc.
Customer Service
Delle Donne Corporate Center, Room 310A
1011 Centre Road
Wilmington, DE 19805-1270
FAX: 302-993-8688

Written cancellations must be received at least 15 days prior to shipment. If a cancellation is not received in time and Remington makes shipment of the Product, a 15% restocking charge will apply to any return.

Orders for Custom Guns or specifically manufactured products are subject to special quotation, and any subsequent accepted order for such Products are non-cancellable.

PACKAGING AND MARKINGS

All orders will be shipped in standard packages and case quantities. Remington reserves the right to revise order quantities to standard pack levels.

Orders calling for any special packaging or special marking will be subject to additional service charges. All Product labeling, literature and instructions on or packed with any Product must be passed on by Purchaser to its customers of all Products.

FREIGHT

Products are shipped F.O.B. Remington factory or warehouse. Title and risk of loss passes to Purchaser at point of shipment. Freight charges are prepaid to Purchaser's shipping address to points in the continental United States. Shipments to Alaska and Hawaii, freight is prepaid to points of embarkation in the Continental U.S.

Remington retains the right to make and route shipments in the most practical and safe manner as determined in its sole discretion regardless of any special routing instructions listed on any purchase orders. Special routing or rapid delivery requests will be prepaid and charges added to the invoice.

Remington will make every reasonable effort to meet requested ship dates and to instruct carriers to schedule delivery as requested on purchase orders. However, legal detention, redelivery, and reconsignment charges assessed by any carrier will be the responsibility of the consignee.

Shipments to shipping destinations other than authorized shipping locations, (drop shipments) when expressly allowed are subject to a 5% service charge. State Tax Exemption Certificates must be provided for any alternate shipping destination.

SHORTAGE, DAMAGE AND NON-DELIVERY CLAIMS

Shipments involving shortages, damage, non-delivery, or concealed shortage are the responsibility of the Purchaser or consignee and claims must be filed directly with the delivering carrier within 15 days of delivery or as prescribed by the U.S. ICC. It is the Purchaser's responsibility to carefully inspect all shipments to insure proper receipt. Inspection should include verification of total number of cartons, exterior condition and agreement with packing lists. If Purchaser finds any sign of damage or discrepancy upon inspection and receipt, this must be noted on all copies of the carrier's delivery receipt.

Remington will not be responsible for any losses from damage or pilferage in transit. Remington will assist with filing any claim after receiving all documentation from Purchaser within 30 days of delivery.

Remington will provide proof of shipment upon request. If Purchaser requests proof of delivery, this may be subject to a service charge of \$25.00 at Remington's option. The service charge may be waived if delivery was not completed.

Purchaser must notify Remington within 60 days of date of invoice of any irregularities or dissatisfaction regarding quantities shipped, terms, discounts, or conditions of sale. Otherwise, it will constitute complete Purchaser acceptance of the order as shipped and invoiced and a waiver of all claims with respect to such Products.

No claim against Remington of any kind hereunder, whether or not based on negligence, shall be greater in amount than the purchase price of the Products in respect of which any damages are claimed.

Short payment of invoices or credit deduction for any transportation claim or shortages is expressly prohibited.

RETURN GOODS

All product to be returned for invoice credit must be authorized by the Remington Customer Service Department. Authorization includes Return Goods Authorization (RGA) number and mailing labels for products to be returned. When requesting authorization, Purchaser must provide a reason for the return and an invoice number if available. Unauthorized returns will be refused and returned at Purchaser's expense. Return of discontinued or close-out merchandise will not be accepted under any circumstances.

Purchaser is expected to return the product freight prepaid. Collect shipments will be refused. If the product is being returned due to Purchaser's error, the credit invoice may be subject to a 15% restocking charge.

Providing all documentation is complete, Remington will credit Purchaser's account within 30 days of receipt of the authorized return. Credit to Purchaser's account will be based on the original purchase price including applicable discounts. Restocking charges, if any, will be invoiced separately.

Short payment of invoices or credit deduction in anticipation of a credit invoice is expressly prohibited.

WARRANTIES

Remington warrants title to Products sold hereunder and that such products are of merchantable quality within the meaning of the Uniform Commercial Code. Remington also warrants that the use or sale of the Products will not infringe the claims of any United States patent covering the Products themselves; but does not warrant against infringement by reason of the use thereof in combination with other products or in the operation of any process. Remington also warrants that all Products sold hereunder were produced in compliance with the requirements of the Fair Labor Standards Act of 1938, as amended.

ANY LIABILITY BY REMINGTON UNDER THIS WARRANTY CLAUSE SHALL BE LIMITED TO REPAIR OR REPLACEMENT OF THE PRODUCT. UNDER NO CIRCUMSTANCES SHALL REMINGTON BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER. REMINGTON MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER.

Remington specifically reserves the right to inspect all Products alleged to be defective for evidence of misuse or abuse, and to determine whether, in Remington's sole determination, a repair or replacement of any such Product is due.

PAYMENT TERMS

All payment terms and cash discounts including anticipation discounts, are as per invoices issued for each shipment of Products and discounts are based solely on invoice and payment dates.

Payment of invoices is required by due date; however, any invoice subject to anticipation dating terms may be paid early subject to the discount schedule set forth with the applicable sales program.

To insure proper payment application against open balances, a remittance advice, including customer account number, invoice number and date must be sent to the address noted on the invoice.

Invoices not paid on due date are subject to a late payment service charge. Late Payment Service Charge shall be at a rate of 1.5% per month or 18% per annum or legal maximum if less.

Accounts must be paid promptly when due. Any past due invoice will automatically make all outstanding amounts due and payable immediately regardless of payment terms or due date, and Remington may request payment of the entire account. In addition, Remington may request that the Purchaser recognize all past due amounts via an interest-bearing note secured by collateral deemed appropriate by Remington. All costs to effect such security, including UCC-1 filings, shall be paid by the Purchaser. Subsequent orders may not be shipped until the account is current.

In the event Purchaser fails to fulfill Remington's terms of payment or in the case Remington shall have any doubt at any time as to Purchaser's financial responsibility, Remington may decline to make any further deliveries to Purchaser.

In the event of any change in ownership, including but not limited to sale, transfer, merger or ceasing of operations, all outstanding invoices, regardless of terms of sale or payment date, shall become due and payable immediately. Any deviation from this provision will be at the sole discretion of Remington and must be agreed to by Remington in writing.

Any invoice dispute must be submitted to Remington in writing within 60 days of the invoice date. Disputes will be reviewed provided Purchaser provides documentation including invoice numbers, dates and reasons for the dispute.

Resolution of invoice disputes will be provided by Remington within 60 days after receipt of written documentation and after verification will be credited to Purchaser's account if invoice disputes are found to be correct. If not correct, Remington may request additional documentation.

Purchaser may not deduct any amount from invoice payment because of an invoice dispute or in lieu of reimbursement for any discount, allowance, and/or credit adjustment.

EXPORTS

Remington's International Division has distribution systems in place for Products in most foreign countries. To maintain the viability of these systems, Remington will not reimburse any Federal Excise Tax payments for any export shipment to such foreign countries. Reimbursement of Federal Excise Tax payments for export shipments to other destinations will be made if specifically authorized in advance by Remington.

CONFORMITY WITH LAWS AND REGULATIONS

Purchaser of Products agrees to conform with all applicable Federal, State and Local laws, regulations and ordinances concerning the purchase, possession, storage, transportation and resale of all Products.

Purchaser specifically agrees to furnish Remington with a signed, certified copy of the Federal Firearms License applicable to the destination or destinations for multi-locations before Remington will ship any firearms. Purchaser also agrees to furnish a new, signed copy of the Federal Firearms License when it is renewed.

If at any time, and for any reason, a Federal Firearms License is revoked or is allowed to expire without timely renewal, the Purchaser specifically agrees to notify Remington immediately. Remington will suspend all shipments to the Purchaser until such time as the signed copy of the license is received by Remington.

Remington reserves the right to terminate all orders and agreements with any Purchaser who fails to provide a signed copy of a Federal Firearms License or whose Federal Firearms License is revoked by the United States Government.

Purchaser agrees to furnish Remington with a certified copy of a Tax Exemption Certificate. If Remington does not have a certified Tax Exemption Certificate on file, applicable sales tax will be applied to all accepted purchase orders and added to all invoices.

Purchaser may not deduct any amount from invoice payment because of a sales tax dispute or in lieu of reimbursement for any sales tax, allowance, and/or credit adjustment.

CHOICE OF LAW

Any controversy or claim arising or relating to these Standard Conditions of Sale, or to any agreements, contracts, or purchase orders in which these Standard Conditions of Sale are included and made a part, or any breach thereof, shall be governed by the laws of the State of Delaware.
