SUBJECT: MODEL 721 BARRELS FOR MACHINE TRIAL RUNS

As per our agreement, will you please arrange to ship 150 Model 721 30 caliber Barrels ready for first ream, and 150 Model 721 Barrel Blanks ready for barrel drill, to the W. F. & John Barnes Co., 312 Water Street, Rockford, Illinois, Attention Mr. F. M. Johnson.

These Barrels will be shipped to us after the machine trials have been completed, and it is expected that except for 10% set-up scrap loss the balance of the Barrels will be returned.

The scrap loss on these Barrels may be charged to Plant Order 71112, and we would appreciate your advising us of the amount of scrap which is charged to this Plant Order.

The machine trials are scheduled for the first of April, so we would appreciate your expediting this material as much as possible.
