Mr. Jerry John Burns

Clock No. 82-04443

Suggestion No. 13816

Your suggestion which proposed changing the design of the Safety and Sear on the Model 580 Series and M/768 Trigger Housing Assembly has been adopted and placed in effect.

A cash award has been made for the application of your suggestion and it is a pleasure to give you our check which is attached.

Your interest in effecting improvements, as reflected through your offering suggestions, is appreciated, and I hope you may continue to receive awards for ideas that can be applied successfully.
