TO OUR FIREARMS DISTRIBUTORS

SUBJECT: BULLETIN - RIFLE RECALL

Gentlemen:

In our letter of November 3, 1978 on this subject, we mentioned that we would be sending you information on shipments we have made to you of models covered by our recall (certain Model 600, 660 and Mohawk 600 rifles and XP-100 pistols).

As an expediency, we have, instead, elected to take a more direct approach ... furnishing full information on the recall to firearms dealers.

Enclosed is a copy of a letter now being mailed to our dealer list, together with a laminated message for use as a display in bringing information on the recall to the attention of retail customers. Also enclosed is a copy of a form for dealers to use in sending customer data back to us. In addition, we plan a similar mailing to the full list of Federal Firearms License holders in the near future.

We appreciate your cooperation in working with us on this recall, and while it may be necessary to request your assistance from time to time, every attempt will be made to spare you as much inconvenience as possible.

Sincerely,

A handwritten signature in dark ink, appearing to read "E. J. Conroy". The signature is written in a cursive, slightly stylized script.
