

NEW OWNER MANUAL FORMAT

Our present owner manuals are written using words that often tend to be technically slanted, making it difficult for the average person to read and understand. The new manuals are being written using a controlled language with the key principle being one word-one meaning.

Mechanical illustrations for the Model 700 ~~Owner's Manual~~ ^{INSTRUCTION BOOK} are scheduled to be completed by Smart Communication, Inc. the week of July 15. ~~THE EXPLODED VIEW IS BEING REVISED TO SHOW THE~~
~~March 24. Twenty-five instruction booklets are to be printed and~~
~~TRIGGER HOUSING AS AN ASSEMBLY RATHER THAN SEPARATE~~
~~distributed for final review by April 20.~~
COMPONENTS. ^{TO BE} INSTRUCTION BOOKS ARE EXPECTED ^{TO BE} PRINTED AND
READY FOR PACKAGING THE FIRST WEEK OF AUGUST.
