Month Day Year

Date Gun Received From Owner 9 23 80

Estimated Completion Date 9 23 80

(D) INVOICE DATA

This gun was very badly gummed up through use of a gunny preservative. A warning should be put out against the use of such. There are several brands.

Date Work Completed 9 23 80

can't expect the gun to rise properly in such a condition.

James H. Burges Jr.
 Gunsmith Signature Date 9/23/80
