- ✓ 14. To whom do you think this rifle will appeal?

Budget conscious; Mass market oriented consumer. Must be "Remington" brand to appeal. Also to the guy who wants a "meat" gun - dependable and accurate, without all the frills of a 700 type bolt gun. This guy likes to put a lot of lead in the air, without ^{continued} worrying about how his gun looks and without worrying about possible mechanical problems of autoloader.
