"CONFINE YOUR LETTER TO ONE SUBJECT ONLY" \_\_\_\_\_

July 27, 1983

TO: D. D. RICCI

FROM: J. B. MROZ *J.B.M.*M/700 BOLT STOP PART # 90492, B-17013

PROBLEM: Vendor (Square Stamping) cannot obtain proper material thickness .083"/.087" until October 1, 1983. Remington will run out of M/700 Bolt Stops by mid-September.

The fact that the vendor can obtain material .083"  $\pm$  .002" has been reviewed with Research (J. W. Brooks). Research has consented to allow the use of this thinner material as a one time deviation. Parts to be received from the vendor on or before September 26, 1983.
