

XC JWB
WLT
KCR

Responsibility: F.H. Smith

Program: Centerfire Rifles

Objective: To apply the same or similar concepts derived from the shotgun rifles program to enhance the safety of centerfire rifles

Goals: potential goals are • reduced locktime
• multiple safety switches

Stake: increased sales
improved safety

Status: Ken Radlands has been working with a consulting firm to develop the shotgun safety system.

Program/Timing:

- Arrange meeting with K. Radlands, R. Murphy, etc. to discuss shotgun progress by June 28.
- Investigate alternatives (patent search, etc) and issue proposal outlining alternative priorities by August 2.
- Arrange management meeting (JWB, WLT, RSM, KCR) to provide direction by August 23
- Propose Schedule based on management direction by August 30
