Subject: Grand American Firearms Display

After reviewing the list provided by Scott Hanes of the guns displayed in 1992 I recommend the following changes.

- o Replace the Express Deer - Fully Rifled with a M/870 FR RS SPS #4988
- o Replace the M/1187 NWTF Gun with a M/1187 SPS-BG CAMO #9680
- o Replace the SP-10 with a SP-10 MAG CAMO #4810
- o Replace the M/700 SS with a M/700 BDL SS
- o Replace the M/700 Classic 220 Swift with a Seven Youth
- o Replace the Seven KS with a Seven MS
- o Add a Peerless
- o Add a Viper

A 90-T HPAR display gun will not be needed because Scott will have demo guns available.
