REQ

Gentlemen:

Thank you for your request for Quotation No. _____ dated _____
for part No. EX 40037 30 cal. bullet

We are unable to quote on this item as indicated below:

- ☐ Quantity is too small for us to be competitive on our production equipment
- ☒ Not suitable to our type of equipment
- ☐ Exceeds our machine capacity
- ☐ Not a screw machine item
- ☒ Should be produced on Swiss type equipment
- ☐ Due to finish required
- ☐ Other: Material does not form well on our machines

We thank you for this inquiry. We would appreciate the opportunity to quote on your future requirements which fall into our capacity ranges.

Sincerely,
