Dear Mr. Anderson:

We are in receipt of your letter of March 18, 1985 in which you list one (1) Model XP-100 .221 Fireball caliber handgun, serial number 7507148, as being in your possession.

This XP-100 is definitely subject to recall. If the gun has previously been returned to our plant for the recall modification, a small "o" has been stamped on the upper left side of the receiver tang near the bottom of the rear receiver ring.

If your XP-100 does not contain the "o" mark, it should be shipped or mailed, transportation collect, to:

Remington Arms Company, Inc.
Attn: Arms Service Div.
Ilion, NY 13357

and, the necessary work will be done on a no-charge basis.

Thank you for your letter and for having afforded us this opportunity to be of service to you.

Sincerely,

J.A. Stekl, Supervisor
