1980 RECOMMENDED GUNSMITH LIST

The following gunsmiths have received special training in the repair of Remington sporting arms. However, there undoubtedly are many other gunsmiths who are equally competent but who have not yet had the opportunity to receive special training from our factory representative.

Remington

Remington.

1981 RECOMMENDED GUNSMITH LIST

The following gunsmiths have received special training in the repair of Remington sporting arms. However, there undoubtedly are many other gunsmiths who are equally competent but who have not yet had the opportunity to receive special training from our factory representative.

1982 RECOMMENDED GUNSMITH LIST

The following gunsmiths have received special training in the repair of Remington sporting arms. However, there undoubtedly are many other gunsmiths who are equally competent but who have not yet had the opportunity to receive special training from our factory representative.

Remington.

1985 RECOMMENDED GUNSMITH LIST

The following gunsmiths have received special training in the repair of Remington sporting arms. However, there undoubtedly are many other gunsmiths who are equally competent but who have not yet had the opportunity to receive special training from our factory representative.

Remington.

1986 RECOMMENDED GUNSMITH LIST

The following gunsmiths have received special training in the repair of Remington sporting arms. However, there undoubtedly are many other gunsmiths who are equally competent but who have not yet had the opportunity to receive special training from our factory representative.
