Subject: XMP Trigger Pull Presentation
Attachments: X-Mark Pro Trigger Pull Conference Call 11-5-07 1144am.ppt

Danny,
Attached is my first draft at the presentation for Monday. I personally think it is a little too heavy on the reviewing the audit and light on outlining a path forward – I'll continue working on that, but I wanted to get you this first.

Please let me know if you're able to get this message – if I don't hear anything, I'll assume you couldn't access your email and I'll proceed.
