Gentlemen:

Product team is scheduled for next Tuesday, June 12. I have not received an agenda. So I will guess and assume that they will want information on the following programs.

Model 887  
Model 105 CTi  
Model 40x XMP  
New Autoloading Centerfire Rifle.  
New M/770 firecontrol

Please update your presentations and get to me by noon tomorrow, Friday June 8.

Thanks,
