Meet the Model 700 Family

- **BDL**
  - The original Model 700 offering – B Grade Deluxe
  - Classic, highly-figured Walnut stocks featuring a durable, glass-polished finish
  - Highly polished, deep-lustre bluing
  - The perfect companion to the Model 870 Wingmaster
  - All of the most popular big-game hunting calibers
  - Drilled and tapped for scope mounts, and supplied with positive, all-metal open sights
  - *Showcase*
    - Model 700 BDL - .30-06 Springfield
    - Model 700 BDL - .243 Win

- **CDL**
  - Classic-custom rifle aesthetics featuring tasteful modern touches
  - Hand-chosen stock blanks with resilient satin finishes provide the look of a fine-hand-rubbed finish with all the durability benefits of modern wood coatings
  - Fine-satin finished barreled actions available in stainless or blued
  - *Showcase*
    - Model 700 CDL - .300 Win Mag
    - Model 700 CDL SF - .270 Win.

- **XCR**
  - The most technologically advanced bolt-action rifle ever
  - Takes advantage of all the advancements made in the Model 700, including the X-Mark Pro trigger, hammer forged barrels and unprecedented action strength
  - Trynyte finish – the ultimate in corrosion and abrasion resistance
  - *Showcase*
    - Model 700 XCR – 7mm Rem. Mag
    - Model 700 XCR Camo RMEF – 7mm RUM

- **SPS**
  - The practical solution for sportsmen looking for a no-nonsense hunting tool without sacrificing any of the features that make the Model 700 the best bolt-action rifle available
  - Long-lasting, all weather synthetic stocks provide the hunter with the most stable platform available for their rifle
  - Matte metal finishes, in both stainless and blued reduce glare and provide years of durable service
  - *Showcase*
    - Model 700 SPS - .243 Win.
    - Model 700 SPS Stainless - .300 WSM

- **Mountain**
  - The ultimate in packability
  - Finds the ideal carrying weight without sacrificing any of the accuracy demanded by even the most serious hunters
  - Maintains all of the first shot accuracy potential of heavy barreled rifles
  - *Showcase*
    - Model 700 Mountain LSS – 7mm-08 Remington

- **Sendero**
  - The ultimate in long-range big/dangerous game hunting rifles
  - Heavy, fluted stainless steel barrels provide unrivaled shot-after-shot accuracy with practical weight savings for those long days in the field.
  - 26" barrel length ensures that every ounce of performance is squeezed out of the even the highest-performance cartridges available today
  - World class synthetic stocks, with embedded, full-length bedding blocks provide stable seating in the stock even under the most powerful recoil in the harshest conditions
  - Recessed target crowns protect the muzzle in the field while minimizing muzzle turbulence
  - *Showcase*
    - Model 700 Sender SF II - .300 RUM – *tie in with PL ammo*

- **Varmint**
  - Custom varmint/target quality in an off-the-shelf rifle, backed by industry leading service and support
  - Built on the same barreled actions as our world-famous Model 700P sniper-rifle line-up
  - A variety of stock options to suit any long-range shooters tastes and conditions
  - Slower twist rates carefully matched to the lighter bullet choices preferred by varmint hunters
    - Slower twist rates also minimize stresses on today's high-performance, light jacketed varmint bullets
  - Recessed target crowns protect the muzzle in the field while minimizing muzzle turbulence
  - *Showcase*
    - Model 700 SPS Varmint - . 17 Remington Fireball – *Also LH*
    - Model 700 VS SF II - .22-250 Remington
