700TM XCR Compact Tactical Rifle - .223

When it comes to tactical firearms, there's no more trusted name in the game than Remington. In rugged endurance, our Model 700 XCR Compact Tactical Rifle truly stretches the limits. Our Model 700 XCR Compact Tactical Rifle features a 40-X externally adjustable trigger and 416 stainless steel barreled action with Black TriNyte® PVD coating, providing a diamond-hard layer of defense against the elements. It features a OD Green stock with black webbing, wide tactical-style barrel fluting for rapid cooling, hinged floorplate magazine, and dual front swivel studs and rear stud.
