Dear Jim:

Re: See v. Remington Arms

We are in the process of preparing our objections to your cost bill. They will be filed and served shortly.

I have advised my clients of their appellate rights but no decision has, as yet, been made as to whether or not to appeal. Frankly, I am not wildly optimistic about our prospects on appeal (although I do think there is some appealable error). Therefore, if your client is willing to waive its cost bill and pay the Sees \$10,000, I would recommend that the Sees forego an appeal.

Very truly yours,

Peter R. Chamberlain
