SHOTGUNS

SPORTSMAN-58

Fore-end Modification

Modified fore-end rings are being used in 16 and 20 gauge guns. The Plant still expects to adopt this modification in 12 gauge guns in January, 1957.

Firing Pin Change

Some revised firing pins have been received, and it is expected that the change-over will be completed about the end of December.

Receiver Rail Support

The Plant still expects to incorporate this change in February, 1957.
