

XR SERIES BOLT ACTION LINE - contd.Committee Action - contd.

As soon as cost figures are available, representatives of Sales, Treasury, R & D and the Ilion plant are to review pricing, volumes, economics and other factors. Based on the results, recommendations are to be made at the January Operations Committee Meeting.

GENERALWOOD

The Plant and R & D were requested to reactivate the program to evaluate satisfactory wood substitutes for walnut.

R & D has been considering the use of walnut stained yellow birch for the XR Series Bolt Action line. Blanks are available for tryout. It was reported that competition is using this substitute for walnut.

The meeting adjourned at 10:40 a.m.

The next meeting will be January 5, 1965 at Ilion.
