Att: Sales Manager

Gentlemen:

We are studying the feasibility of re-entering the over and under shotgun field, and the thought occurred that you might possibly be interested in procuring such a gun for us.

If you are interested let us know, and we will arrange a personal visit to discuss the many details that would have to be worked out.

It would be quite helpful to us if, in your reply, you would indicate the minimum annual volume that you would require for such an arrangement and also give us some indication of your best price for a standard or "A" grade gun.

Very truly yours,

REMINGTON ARMS COMPANY, INC.
